Arrivals and departures

All groups are met by an ISIS representative and escorted to their coach or minibus transport. They are then transferred direct to their accommodation or, in the case of early morning arrivals, they may go to the school.

Lessons

General English lessons are normally held in the morning for three hours per day. Afternoon lessons may be able and sometimes this may allow a cheaper rate. Please ask for more details. Other subjects on request.

Afternoon social programme - various

An ISIS representative (s) will escort the group on various walks or visits to sights of interest in central London and around Greenwich. This option does not include any entrances and only public transport is used.

Evening social programme - various

This is similar to the afternoon social programme but students should be over 14 to attend. There is an option to take a 'packed dinner' and stay in central London for a combined afternoon and evening visit.

Weekend activities

ISIS staff can accompany groups on visits in London, day-trips by public transport or on full-day coach excursions. A list of possible destinations follows. Overnight stays (e.g. Edinburgh) can be arranged as well.

Full-day destinations

Bath & Stonehenge, Brighton, Cambridge, Canterbury, Stratford and Warwick, Oxford, Windsor

Should you wish to visit other locations please let us know and we can provide more details.
