### BOGNOR REGIS CAMPUS:

The Campus is in the centre of Bognor Regis, a seaside town 6 miles south-east of Chichester, on the West Sussex coast. This leafy, self-contained campus is a very friendly site with excellent facilities. The campus consists of three large, Regency-style mansion houses with modern teaching rooms and comfortable student accommodation.

The Regency coastal resort of Bognor Regis has more sunshine that any other town in Britain, making it the UK's sunshine capital!

Students at the Bognor Regis Campus will have three shuttles to Arundel, Felpham and Chichester. They will also have one full day trip to each of the following: London, Eastbourne and Portsmouth.
